

Demystifying MEDICARE

& Healthcare Coverage for Seniors

~ FALL 2021 ~

This engaging, interactive, free program of the Westchester Library System's Senior Benefits programs is perfect for anyone navigating his way through our complicated healthcare system for older adults. It will help those who are thinking about changing the coverage they have, as well as people soon to be 65, planning their retirement, or assisting relatives and friends with their medical decisions.

The DM workshop outlines the various parts of Medicare and lays out the costs associated with health insurance provided by the government and private companies. Topics include: Original Medicare, Advantage Plans, Prescription drug plans (Part D), Medigaps (supplemental plans), and various cost-saving programs (MSPs, Extra Help, EPIC, etc.). Walk-ins welcome, but pre-registration is requested at (914) 231-3236.
